

Privacy Impact Assessment

Name of Initiative:

Arduino software

PIA Number:

2024.07-20

INSTRUCTIONS (READ BEFORE STARTING)

Submit a completed privacy impact assessment (PIA) before starting a new College Initiative or significantly changing an existing College Initiative that directly collects Personal Information, or results in the collection of Personal Information by COTR or a COTR service provider.

BC's Freedom of Information and Protection of Privacy Act (FIPPA) defines an "Initiative" as any enactment ("policy/procedure"), system (conceptual or technical), project, program, or activity.

Contact the COTR Privacy Officer (Keltie Ross – PrivacyOfficer@cotr.bc.ca) to receive support determining whether any change in how COTR employees are completing their duties to the College may require a Privacy Impact Assessment.

Read through this form entirely before starting to populate it. Each question is designed to capture specific information for review.

Some information recorded in the PIA may be confidential or proprietary and not intended for distribution. Before you share the draft or completed PIA (internally or externally), please contact COTR'S Privacy Officer, Keltie Ross at PrivacyOfficer@cotr.bc.ca for guidance.

PART 1: GENERAL INFORMATION

Initiative Title:	Arduino
Department:	Applied Research and Innovation
Initiative Lead (PIA Drafter) Name and COTR Email Address:	Paul Tiege, Manager – Applied Research and Innovation. PTiege@cotr.bc.ca
Dean or Director Name, Title, and Email:	Robin Hicks, Vice President Academics
Privacy Officer Assigned:	Keltie Ross
If initiative involves a third-party (i.e. vendor, consultant, partner), provide	
Third Party Name:	Arduino
Product Name (if applicable):	Arduino Cloud Editor and Arduino IDE (latest is 2.3.4) https://www.arduino.cc/en/software
Third Party Contact Name and Email:	
Third Party URL:	https://www.arduino.cc/

1. In three to five sentences, describe the Initiative including:

a) what you are doing,

- editing Arduino sketches (small programs) and uploading onto Arduino and similar control boards

b) an overview of the process,

- online editing of sketches that are uploaded onto the boards

c) who is involved,

- Paul Tiege.

d) and when and/or how long your Initiative runs.

- continuing

2. In a few sentences, explain the scope of this PIA. For example, is this initiative limited to specific individuals or departments of COTR? Is this PIA covering the full initiative or just one phase of a larger project? Are there exceptions to how the Initiative will be implemented?

Limited to Paul Tiege, for use on my work laptop.

COLLEGE OF
THE ROCKIES

Privacy Impact Assessment

3. Is this an administrative/operational, teaching and learning, or research Initiative? Select all that apply.

- Administrative/Operational Research (**Contact COTR Privacy Officer before continuing this PIA**)
- Teaching and Learning

4. Has a PIA previously been completed for this Initiative?

- Yes No Not sure

5. What activities will occur within the Initiative? Use the bullet points below to make action statements. Replace the example action statement. Add or delete bullets as necessary.

- testing Arduino sketches and activities for eventual potential use in day camps.
- Activity 2
- Activity 3
- Activity 4

6. In a bulleted list, please list all the types of data or information you might collect, use, store, disclose, or access in your Initiative - even if they are not Personal Information. Replace the bullet points below with the actual elements of information or data.

- find sketch on Project Hub (<https://projecthub.arduino.cc/>) I am logged into my Cloud account to do this (personal account, no college information)
- import sketch into IDE, play around with it, load it onto a board
-

7. Did you list Personal Information in question 6? [Personal Information](#) is any recorded information about an identifiable individual, other than business contact information. Personal information includes information that can be used to identify an individual through association or reference.

- Yes No

8. If you answered "No" to question 7, in three to five sentences explain how will you ensure that you do not unintentionally collect Personal Information?

There isn't a way to collect personal information in the IDE. To log into the Cloud I would enter my

username and password, which Arduino already has.

9. Does the Initiative involve integration between COTR IT systems and Third-Party systems?

Yes

No

N/A

If yes, list below: (put N/A on the first row if you answered No or N/A above. Add or delete rows)

If there is Personal Information involved in this Initiative, continue to complete the remaining sections of the PIA.

If there is NOT any Personal Information involved in this Initiative, please submit questions 1-9 to the Privacy Officer along with the completed signatures page.

PART 2: PRIVACY OFFICE(R) COMMENTS

If, in the future, any substantive changes are made to the scope of this PIA, the College will have to complete a PIA Update and submit it to Privacy Office(r).

This PIA is based on a review of the material provided to the COTR Privacy Office(r) as of **(date/year)**.

The details provided in this PIA, indicates that the application to be developed and uploaded onto the COTR website can be delivered in compliance with FIPPA legislation.

Should there be a change in scope to this part of the initiative, further assessment and/or a PIA update may be required as new related or expanded service is considered, or the privacy policies for the College change in the future.

Any substantive changes made to the scope of this PIA would need to be included in a PIA update and submitted to the Privacy Office(r).

PART 3: APPROVAL SIGNATURES

Institution Signatures

This PIA is compliant with FIPPA when it accurately documents information management practices and information flow at the time of signing. If there are any changes to the overall Initiative, including to the way Personal Information is collected, used, stored, or disclosed, the Department will inform the COTR Privacy Officer, and if necessary complete a PIA update.

By signing where required below, the signatories acknowledge and confirm their declarations as noted.

Declaration of Initiative Lead: I confirm that I understand the privacy impacts of this College Initiative and I am committed to my FIPPA obligations related to the collection and management of Personal Information involved in the Initiative. If there are any changes to the Initiative, including to the way Personal Information is collected, used, stored, or disclosed, I understand that the department will need to inform the COTR Privacy Officer and if necessary, complete a PIA update. I will establish and document information management guidelines for the Personal Information and ensure these are followed. I will ensure employees are trained on and able to comply with their obligations under FIPPA; related College policies and procedures; and COTR Privacy Officer recommendations relative to this Initiative.

Privacy Impact Assessment

Name of Initiative:

Autodesk Fusion software

PIA Number:

2024.09-18

INSTRUCTIONS (READ BEFORE STARTING)

Submit a completed privacy impact assessment (PIA) before starting a new College Initiative or significantly changing an existing College Initiative that directly collects Personal Information, or results in the collection of Personal Information by COTR or a COTR service provider.

BC's Freedom of Information and Protection of Privacy Act (FIPPA) defines an "Initiative" as any enactment ("policy/procedure"), system (conceptual or technical), project, program, or activity.

Contact the COTR Privacy Officer (PrivacyOfficer@cotr.bc.ca) to receive support determining whether any change in how COTR employees are completing their duties to the College may require a Privacy Impact Assessment.

Read through this form entirely before starting to populate it. Each question is designed to capture specific information for review.

Some information recorded in the PIA may be confidential or proprietary and not intended for distribution. Before you share the draft or completed PIA (internally or externally), please contact COTR'S Privacy Officer, at PrivacyOfficer@cotr.bc.ca for guidance.

PART 1: GENERAL INFORMATION

Initiative Title:	Autodesk Fusion
Department:	University Studies
Initiative Lead (PIA Drafter) Name and COTR Email Address:	Jake McIvor; jmcivor@cotr.bc.ca
Dean or Director Name, Title, and Email:	Stephanie Wells; Dean of Business, Arts and Science; swells2@cotr.bc.ca
Privacy Officer Assigned:	Nathan Skretting, delegated by Dianne Teslak
If initiative involves a third-party (i.e. vendor, consultant, partner), provide	
Third Party Name:	Autodesk
Product Name (if applicable):	Fusion
Third Party Contact Name and Email:	n/a
Third Party URL:	https://www.autodesk.com/products/fusion-360/overview

1. In three to five sentences, describe the Initiative including:
 - a) what you are doing,
 - b) an overview of the process,
 - c) who is involved,
 - d) and when and/or how long your Initiative runs.

Students in the engineering program currently use Autodesk AutoCAD software to learn about computer aided design (CAD). AutoCAD is primarily a 2D drafting tool, and the instructor would like to add Fusion software for 3D modeling and parametric design, which are critical skills in modern engineering. Students would access a free educational license for Fusion through the same Autodesk account they use to access AutoCAD for the duration of the ENGR101 and ENGR102 courses. This would be managed under the Instructor's Autodesk Education plan which lasts for one year and is renewable.

2. In a few sentences, explain the scope of this PIA. For example, is this initiative limited to specific individuals or departments at COTR? Is this PIA covering the full initiative or just one phase of a larger project? Are there exceptions to how the Initiative will be implemented?

The scope of this PIA is limited to the students enrolled in the current sections of the ENGR101 and ENGR102 courses and any future sections.

3. Is this an administrative/operational, teaching and learning, or research Initiative? Select all that apply.

- Administrative/Operational Research (**Contact COTR Privacy Officer before continuing this PIA**)
- Teaching and Learning

4. Has a PIA previously been completed for this Initiative?

- Yes No Not sure

5. What activities will occur within the Initiative? Use the bullet points below to make action statements. Replace the example action statement. Add or delete bullets as necessary.

- **Students create an Autodesk account to access the software**
- **Students use Autodesk Fusion software to create 3D CAD models**

6. In a bulleted list, please list all the types of data or information you might collect, use, store, disclose, or access in your Initiative - even if they are not Personal Information. Replace the bullet points below with the actual elements of information or data.

- **Student first and last name**
- **Student college-provided email address**

7. Did you list Personal Information in question 6? [Personal Information](#) is any recorded information about an identifiable individual, other than business contact information. Personal information includes information that can be used to identify an individual through association or reference.

- Yes No

8. If you answered "No" to question 7, in three to five sentences explain how will you ensure that you do not unintentionally collect Personal Information?

No additional information beyond the student's name and email is required to create the Autodesk account to access the software.

9. Does the Initiative involve integration between COTR IT systems and Third-Party systems?

Privacy Impact Assessment

Yes

No

N/A

If yes, list below: (put N/A on the first row if you answered No or N/A above. Add or delete rows)

COTR IT system: Data network/Internet access Third party system integrated: AutoDesk Fusion

COTR IT system: Data storage Third party system integrated: AutoDesk Fusion

If there is Personal Information involved in this Initiative, continue to complete the remaining sections of the PIA.

If there is NOT any Personal Information involved in this Initiative, please submit questions 1-9 to the Privacy Officer along with the completed signatures page.

PART 2: PRIVACY OFFICE(R) COMMENTS

If, in the future, any substantive changes are made to the scope of this PIA, the proponent will have to complete a PIA Update and submit it to Privacy Office(r):

This PIA is based on a review of the material provided to the COTR Privacy Office(r) as of **(October 16th, 2024)**.

The details provided in this PIA, indicates that the application to can be delivered in compliance with FIPPA legislation.

Should there be a change in scope to this part of the initiative, further assessment and/or a PIA update may be required as new related or expanded service is considered, or the privacy policies for the College change in the future.

Any substantive changes made to the scope of this PIA would need to be included in a PIA update and submitted to the Privacy Office(r).
